

A YEAR OF PRAYER FOR NIGERIA

'Great and amazing things happen when the Church prays.' - Anonymous

A CALL TO THE CHURCH FOR AN ALL-YEAR, 24-HOUR PRAYER

'If My people who are called by My name will humble themselves, and pray and seek my face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land'
(2 Chron. 7:14).

This is an urgent call to the entire Church to pray. This call for prayer has become necessary in light of the numerous challenges the Church and our Nation is going through. We all recall that in the past, when the Church faced similar challenges and threats, we had resorted to prayers and God answered. So now, as we face what can no doubt be described as 'PERILIOUS TIMES' in our nation, let us arise and pray, knowing that God has always been faithful in responding to our passionate petitions.

I urge all Christians in Nigeria to arise and join in this One Year 24/7 prayer initiative. Let us all raise the altar of prayer in twos, in threes, in groups, and families so that the tide of evil facing the nation and the Church may be overturned. The church is marching on and the gates of hell shall not prevail against her.

To this end, the Church in Nigeria will be holding a nationwide National Day of Praise, Thanksgiving and Repentance on 1st October 2014. It is a day for all Churches, in all cities, regions and states in Nigeria to gather together in agreed worship places nearest to them to Pray, Praise and Thank the LORD for Nigeria and to seek for forgiveness and mercy upon our nation. Details of this have been sent to relevant bodies. Kindly take this as a formal notice, if you have not received any.

Furthermore, for the purpose of effectiveness of One Year 24/7 Prayer Initiative, the following schedules have been drawn for all PFN member churches/State Chapters. Other schedules will follow later.

God bless you all as you respond to this clarion call to prayer.

God bless Nigeria!!

Rev. Dr. Felix Omobude
National President

PRAYER SCHEDULE/ALLOTMENT
